* Many base options are offered for turkey mounts. You can purchase ones we offer or make your own. Bases are extra.	

## Tanning and Rugging

As a business it has always been our goal to provide the best quality and an affordable price. We also value a 12 month turn-around time. In order to provide competitive pricing and assure we can stay at a 12 month turn-around time we are now asking our customers that require tanning or rugging to ship directly to Old Barn Tannery in Fort Madison, IA. This is who we recommend as at facility due to their quality, pricing, and customer service. **A link to Old Barn's website is listed on our Price List page.** We will continue to do all our own tanning for the animals we mount.

### What do I have to do if I want tanning or rugging?

Contact Colton at Old Barn Tannery, either by phone (319)470-8117/(319)470-7035 or email [colton@oldbarninc.com](mailto:colton@oldbarninc.com). He can absolutely assist you on how to prepare your package to ship. This will generally require you hard freeze your animal or hide (if you are shipping smaller mammals they can be shipped frozen whole and they will skin them for you). The hide or animal should be double or triple bagged prior to shipping. We recommend shipping on a Monday making sure there are no holidays that will inhibit the package arriving in a timely manner.

### Who do I use for shipping service?

Old Barn is in the Speedee delivery region. You can ship Speedee from any UPS shipping location. You must specify that you want the package shipped Speedee. This is by far the cheapest way to ship.

**What about small mammals? Do they have to be skinned before I ship them?**

One of the reasons we like Old Barn so much is that you have very little hands on time with your animal or hide. If you want a coon hide tanned you can send the whole raccoon to Old Barn frozen, you don't have to struggle with skinning.

**I am shipping by bear hide with the skull still in it and I want a Euro done on the bear skull, now what?**

Old Barn is a one stop shop for tanning and rugging. They can also complete your European mount for you. Please call Colton to discuss your options.

**Aren't their other places I could go for tanning and rugging?**

There are many places that offer tanning and rugging. Not all facilities are created equally. Please keep in mind cheaper isn't always better. You are free to seek out whomever you feel will best serve you but we recommend Old Barn.

Some places do tanning, but not rugging and vis versa. Please be careful while doing research. Please also keep in mind that not all rugging companies ship a completed rug and additional painting and finishing would need to be done on the face to get a completed product.
