

# Covid-19 Requirements for Jordan

Currently, Jordan has lifted all Covid-19 related testing for entry into the country. Data has been pulled and compiled from official U.S. Embassy sites and international airlines for the most accurate and up-to-date travel information. We strongly encourage due diligence in verification of these travel requirements, as government protocols and mandates continue to change. **Abandon relocation to any country that mandates the VAXALINE(s).**

- Passengers must complete a "Declaration Form" before departure at <https://www.gateway2jordan.gov.jo> . This will generate a QR code which must be presented before boarding and upon arrival.
  - Print and fill out before traveling
- Passengers must have health insurance valid for the period of intended stay.
