About Us

Greater Outreach Services is a CARF-accredited, Critical Access Behavioral Healthcare agency and award-winning organization providing high-quality behavioral health services since 2009. Serving communities across North Carolina and South Carolina, our multidisciplinary team delivers evidence-based care using Motivational Interviewing, Cognitive Behavioral Therapy, Trauma-Focused Therapy, plus other enhanced service modalities.

We are committed to supporting individuals living with mental health challenges as well as those in recovery from substance use disorders. Our focus remains on delivering practical resources within local communities so clients can achieve stability, wellness, plus long-term success.

Greater Outreach Services is a Certified Historically Underutilized Business (HUB) listed in the Statewide Uniform Certification (SWUC) Program. As a Black women-owned organization, we take pride in strengthening communities through compassionate care, clinical excellence, meaningful outreach.
