

## Supporting Mental Health Wellness & Recovery from Substance Use

**Greater Outreach Services** is committed to providing recovery-oriented support that empowers individuals to lead healthier, more fulfilling lives. Our services focus on education, making positive and informed choices, setting realistic and achievable goals, and strengthening family and community connections.

Whenever possible, we meet individuals where they are whether at home, in the workplace, or within their communities ensuring support is accessible and meaningful as they work toward lasting wellness and recovery.

Greater Outreach Services  
PATHWAY TO TRANSFORMATION

# Greater Outreach Services

a CARF accredited agency

## Changing the Lives of Families

Since 2009, we have earned the trust and confidence of families, adults, and children in the communities we serve. Each year, we remain committed to enhancing, expanding, and growing our services to better meet the evolving needs of those we support.

## Mission Statement

The mission of **Greater Outreach Services** is to remain dedicated to providing over 25 years of high-quality, innovative mental health and substance use services to adults, adolescents, and children. We are committed to delivering care in an engaging, compassionate, supportive, and professional environment.
