

CAMBRIDGE POST OFFICE

October 11, 2022

Dear Valuable Postal Customer

We would like to inform you that the Trappe Post Office will be under construction starting Monday, October 17, 2022. Unfortunately, during this process the Trappe Post Office will be closed. The PO Box section will be moved to the Cambridge Post Office, approximately six miles away. It is a twenty four hour lobby location. The retail window is open Monday-Friday from 900AM-500PM, and Saturday from 900AM-1200PM. We understand that this will be a difficult couple of months with your local office being closed. If there is anything we can do to help this transition please contact the Cambridge Post Office at 410-228-1484. We look forward to assisting you.
