Statement from Town Council Candidate Nicholas L. Newnam

As my term comes to an end I am asking for your support to re-elect me for another four years. Let me continue to work for you to make Trappe a better place. We have made great progress and have the Town pointed in the right direction to continue to succeed. One of the commitments I made was to listen to concerns from the Town citizens and come up with solutions to fix them, and I will continue to do so. With the new development coming, it is important to have a strong Council to make sure things stay on track and obligations are met. In the past four years, a lot of change has been brought to the Council table and the main one was accountability. We hold ourselves and employees to the highest standard and will continue to do so. A lot of good things are happening in Trappe and let's keep the momentum going and re-elect me to another four years on the Town Council. Thank you for your support. - Nick Newnam
