

## Sanctioned Rounds – Thursday, June 15<sup>th</sup>, 2023

Hello and thank you for entering the sanctioned events ahead of the All-Ontario Regionals!

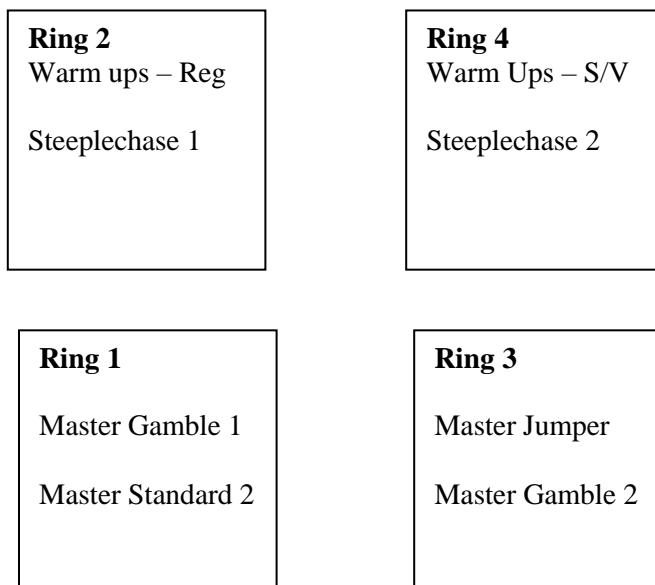

We thought we would give you a heads up as to how Thursday is going to unfold! Below you will see a diagram of the ring layouts and the events that will be held in each ring.

We realize that there will be some crossover and we will make sure that everyone gets their turn! If you are in several events, don't fret – you won't miss out! We are expecting it! We will juggle the running order around to make sure you get your run!

Master Gamble 1 and Master Jumper will start at 10 am. The events that follow in those rings will begin once the first event is finished.

Steeplechase 1 and 2 will begin following the completion of the Warm Up runs. Warm Ups will finish at noon and the steeplechase courses will be built following that. We expect the walkthrough for steeplechase will begin around 12:30 pm. The Steeplechase events will run simultaneously with S/V starting in one ring and Regulars in the other. At the transition, we will have another walkthrough.

Neil Longtin from RU Ready Agility will be your host for this event. You will receive more information from him closer to the event.
