

The Gift-Giving Gal Who Knows A Guy

Adoption Prayer

Father God, our entire eternity with you is anchored in Adoption, the grafting of The Gospel first to the Jew and then to the Gentile for all the world to be saved by the redemptive Blood of the Lamb, Jesus Christ. Thank You El Shaddai, God Almighty, that You are mindful of me and of every son and daughter on this Earth. Your Word on this is clearly evidenced through the testimonies of Moses, Esther, Samuel, Jesus, and, ultimately, us as your children. Each of these played a part in the lineage of the Savior, who himself was adopted and reared by Joseph. In the moments where I feel forgotten, You are the God who calls me by name. When I am weary and burdened, You give me rest. When I am without companionship, You are my Friend in unwavering faith. If I am without father, mother, or am orphaned, You are a Father to the Fatherless. If I am separated from my biological family in any way, Jehovah Jireh, You will provide a kinship covenant family along my path. If I am empty, I need only delight myself in You to be granted the desires of my heart. When I am unwanted, I am invited to Your banquet table as You anoint my head with oil and my cup overflows. When I am unable to discover my purpose, You remind me that You chose me before the foundation of the world to be holy, blameless in Your presence, and predestined for adoption as Your (son / daughter) through Jesus Christ. When I believe myself to be without legacy, Your riches in grace, wisdom, and understanding declare that I am chosen as God's own, sealed with the promised Holy Spirit, and pledged an inheritance until the redemption of those who are God's possession, to the Praise of Your Glory. In Jesus Name, AMEN.
