

The Pantry Door

Published monthly by the Homer Community Food Pantry-October, 2018

The Coordinator's Corner.

That feeling of fall is in the air. What a great time of year as we enjoy a changing landscape, a little more nighttime, cooler temperatures...and the need to mow the lawn is fading into the recent past.

With the change of seasons, the

Dennis Weidler

resources available to the Homer Food Pantry change too. We have switched from a seafood supply chain to a

moose supply chain.

A special big thanks to board member Thomas who has arranged for moose meat, supplied by Fish & Game, and processing provided by McNeil Canyon Meats to fill our freezers!

That's a pile of protein. 

A Special Thanks...

...to The Alaska Department of Fish and Game for their partnership in meeting the needs of our community in Homer through their donated moose program.

A big thanks to McNeil Canyon Meats, as well, for their donation of processing of that moose.

Put the Empty Bowl Fundraiser on Your Calendar.

Once a year, each November, you don't want to miss this great event.

Pantry Board organizes and hosts what has become a highly anticipated fundraising event.

It's called The Empty Bowl and is held at the Homer United Methodist Church.

This year, the big day is Friday, November 9th from 11 a.m. to 2:00 p.m. Take outs are also available.

Put it on your calendar. Jot it on a sticky note. Whatever you do,

A special thanks to all the local businesses who donate the dozens of tasty soups, and the local artisans who donate their craftsmanship to provide the beautiful bowls. It is an incredibly unique partnership which allows this event to be so special.

Come sample and enjoy the best this community has to offer. It will be a luncheon to remember. Bring a friend. Bring several. And, we'll see you there. 

Rotary's Potato Harvest a Big Success.

For the past several years, the Homer Kachemak Bay Rotary Club has made an annual potato harvest part of their Club Service projects.

And, like clockwork, every year, the Homer Food Pantry is blessed by the harvest.

Project coordinator, Maynard

Gross was again quite pleased with the results. "We were able to provide over 330 pounds of freshly dug potatoes to the Food Pantry this year. We also have a friendly competition among club members to see who brings in the largest harvest. We'll let you know when we have the final totals." 

Providing food and emergency assistance, with compassion, to those seeking our services.
