## American Red Cross!

A heartfelt Thank You to Thomas Dehoyos and Cerese from the American Red Cross. They recently spent the afternoon with us offering free home visits and installation of fire alarms. We had 25 people sign up for this service and to get additional information. What a generous opportunity to keep you and yours safe!

We are so blessed to have Cathy Harder and such a grrreat connection with the Homer Animal Friends. Thanks primarily to AK Garden and Pet Supply, along with Redbarn and Firstmate, we received over 2000 lbs of pet food amounting to \$6,494. It was over 2,000 lbs!

What a purr-fect gift for so many of our furry friends during these rrruff times! They're also getting ready to host their annual November fundraiser for the Food Pantry!

## A Happy and Hilarious Halloween!

Everyone got into the *Spirit of Things* at the pantry in preparation for Halloween!(Clockwise) RJ, Laura, Tonya, Cinda, Karen, Heidi, Susan, Irene, and a couple of purple ghoulish ghouls! We had a frightening good time!

Our lovely Lady Lions, Julie Small, Linda Petkash and Marcia Lowe have spent the last 3 weeks signing folks up for Thanksgiving Turkey boxes. A true labor of love!
