

The Pantry Door

Published monthly by the Homer Community Food Pantry – July, 2023

Farm Fresh Eggs!

Sandy Thompson delivered farm fresh eggs from her daughter, **Therese Pierce**. Sandy said, "I'd love to help at the pantry, but circumstances don't allow for that. My daughter has an abundance of fresh eggs that we'd like to donate in order to help out!" 'Egg-septional' Idea and THANK YOU!

Sweet Sensations! Ulmer's has been donating much of their overstock candies every month to the pantry. Our clients are delighted! Delicious!

An Anonymous Labor of Love

Much of this newsletter is dedicated to a few of the people who work behind the scenes. *We have one gentleman who has been donating 24 gallons of milk **each week** to clients with families. He is also donating much of his garden produce, which is greatly needed and so appreciated! *Another gentleman shows up weekly and collects some donated food items so that he might make fresh soups and meals for the Community Free Fridge! He also provided sandwiches weekly while the kitchen was closed. *There's a woman who makes it her goal to donate yummy homemade soups to our Community Fridge each week! We have numerous people who pickup donations from the various grocery stores daily and a slew of folks who stock the Free Fridge. That doesn't even include the numerous volunteers that work every Monday at the pantry as well as Thursdays. The list and the people go on!

Our Cooks Are Back In the Kitchen!

We are *thrilled* to have our HCFP kitchen up and operational again offering warm, hearty and delicious lunches to our volunteers each Monday! Welcome back Laura Mobraten (prep cook), Tim Steinberg and Wayne Stanley (main cooks) and Stan Rivera, our new volunteer prep cook! Your food is consistently a deli delight!

Sons of The American Legion have generously donated \$1,000+ **every month** to HCFP. If it were not for donations like these, our pantry simply could not exist. We are indebted to you. A very deep, heartfelt **Thank You!**

Monday Magic!

On any given Monday you will find Jean Auvenshine, Luanne Webber and Vonda Nixon working their magic in the kitchen preparing meals for the Community Free Fridge. You ladies are awesome!

Kim and Charles Krausher are dedicated to the recycling end of the pantry! They clean the numerous containers, sort them out and deliver them to the Farmers Market, the recycling bins, The 40/60 Project, and the pantry. A tedious job, but oh so dedicated! It is the goal of the pantry that nothing goes to waste! We appreciate YOU!

Anita Christy can be found washing dishes, prepping food and making soups for the fridge! An invaluable help!

Providing food and emergency assistance, with compassion, to those seeking our services.
