We are Very Grateful for our Gracious Volunteers!

Several members from the *Praying Pelican Church* showed up, once again this year, to volunteer at HCFP. We so appreciate you!

Joe Stejskal, Bryton Conner and Ferdinand Enriquez came from their mission in Florida to lend a helping hand at the pantry! They are loving Alaska!

< Pearl Haverman is giving back to the pantry by baking fresh loaves of banana, and apple bread. They are *delicious!*

Holly Graham > chopped and bagged several pkgs of her home grown rhubarb to donate towards our baked goods at our Rhubarb Rendouz!

A Plethora of Produce!

Thanks to Jessica Shepherd, Twitter Creek Gardens, Bay Crest Green House, Lee Yenney, and the many private donors and churches for gifting us with fresh produce for our clients. *Amazing!*

It's a Fabulous Fish Frenzy!

Dr. Marley and his friend, David Logan delivered several totes of fresh fish. We had shark, halibut, yellow eye and cod. What an incredible catch! Charlie Gibson has shown up on several ocassions offering HCFP his freshly caught salmon fillets! THANK YOU and...
