Providing food and emergency assistance, with compassion, to those seeking our services.

A Kindhearted and Very Generous Community!

When it comes to a nurturing community, Homer does a remarkable job in taking care of each other. **Leslie Mastik**, from **Homer's Jeans** has been donating slightly used coats to the HCFP for over 10 years now. This year surpassed all others and she was able to provide 35 coats to those in need. By donating a coat, you are given a 20% discount on purchases. It's a win, win! **Citizen's Salmon** is shown providing another 175 lbs of salmon to the pantry! It doesn't get any fresher than this and our patrons are thrilled to get it! **Tiny Nolan**, along with his wife **Lisa**, owners of **Fat Olives**, have been purchasing fresh vegetables, fruits and cheese throughout the year for our clients. The expression of altruism is truly humbling

Melody and Scott Livingston with **Wild Honey Bistro/City Bear Bread**, have been donating their bakery breads and croissants to our Free Fridge and pantry for years! It's always such a tasty treat to receive their fresh baked goods! **Marilyn Parrett and Kesha Jae** always make sure that HCFP receives all their surplus holiday candies! Thank you **Ulmers!** We love these sweet treats!
