

The Pantry Door

Published monthly by the Homer Community Food Pantry-August 2018

The Coordinator's Corner.

July was a big month for technological advancement at the Homer Community Food Pantry. We were able to use our old landline phone number and convert it to an up-to-date cell phone, complete with email and access to the

internet. The 235-1968 number also permits texting. It seems texting is the new phone call. The email address

Dennis Weidler

also links to the new phone and our newest advancement is at home there, as well.

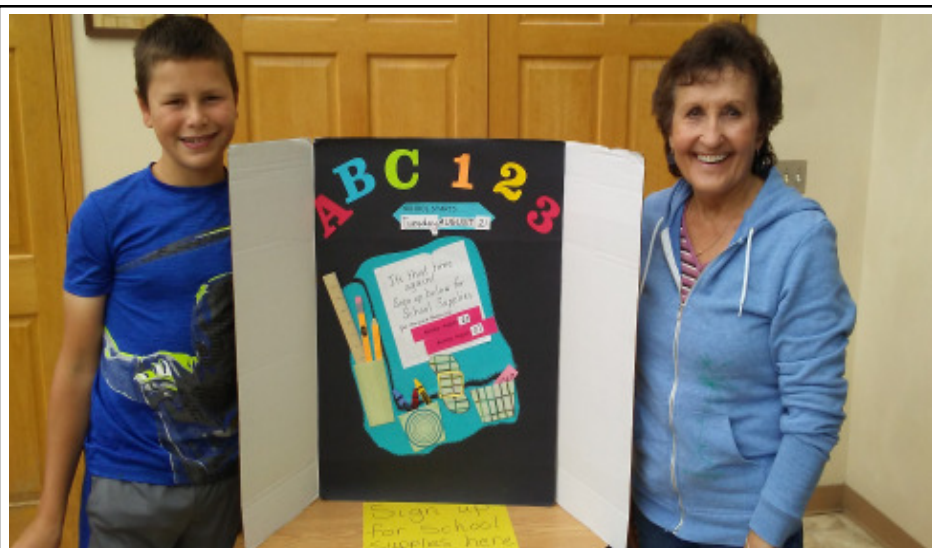

We launched our website in Mid July. www.homerfoodpantry.org gives you quick convenient access to download our Pantry Door Newsletter, a Donate Here button and current Food Pantry updates. 

A Special Thanks...

to Wells Fargo for their recent donation of \$4,000 to the Homer Community Food Pantry.

These funds are specifically earmarked for the use of The Homeless Student Meal Program.

Thank you...Wells Fargo!

Gloria Hensen and her grandson signing-up recipients.

Preparing for Back-to-School.

The Omicron Chapter of Delta Kappa Gamma is holding their annual Backpack Back to School Project this month. From August 1st through the 16th, donations will be collected to help students start the new school year by supplying school supplies and backpacks.

This project benefits more than 100 children whose parents are clients of the Homer Community Food Pantry in the Homer, Anchor Point and Ninilchik areas.

Contributions may be left in the

brightly colored receptacle inside the door of Ulmer's Drug & Hardware. There are also boxes in the church offices of Christian Community Church, Glacierview Baptist Church and the Homer United Methodist Church. There is also a box at West Homer Elementary.

The sponsoring organization is requesting donations of supplies, backpacks or, yes, cash to assist in the purchase of additional school items and more backpacks. 

Place Your Next Order by Using Smile.Amazon.Com.

Watching the packages emerging from the local Post Office or from my neighbor's UPS or FedEx driver, indicates there are lots of folks using the convenience of Amazon for their purchases.

Remember...next time you log in to Amazon for an item, make sure you route that transaction through the Food Pantry's SMILE.AMAZON.COM. It costs no more and the Homer Food Pantry is the beneficiary. 

Providing food and emergency assistance with compassion to those seeking our services.
