

The Pantry Door

Published monthly by the Homer Community Food Pantry-January, 2022

The Coordinator's Corner.

A special thanks to both Ulmer's and the Coleman Company for their joint effort in procuring twenty four, weather resistant, cold-temperature sleeping bags and a half dozen two-man tents. Both organizations provided generous discounts to the Food Pantry, and those sleeping bags will be enthusiastically received!

Dennis Weidler

Thanks also, to our Board Secretary, Lucinda Martin, a key figure in organizing the

Project Homeless Connect for the third time here in Homer and in Anchor Point.

It is a huge undertaking and Lucinda and the entire team have invested many, many hours in organizing and planning.

Thanks to everyone for their diligence. 

A Special Thanks...

...to the Homer Kachemak Bay Rotary Club for their extra effort in preparing the Hygiene Kits for the Project Homeless Connect.

We appreciate your dedication to this project..

3rd Annual Project Homeless Connect Scheduled for January 26th.

Once again, the Homer Community Food Pantry is partnering with other local, state and national organizations to take an annual snapshot of homelessness. This year, the date chosen is Wednesday, January 26th from 10 a.m. to 2 p.m. There are two locations serving the south Peninsula. The Homer Food Pantry at 770 East End Road in the Homer United Methodist Church and Anchor Point Food Pantry, next to the Anchor River Inn Store at 34361 Old Sterling Highway, will both be open that day.

Besides providing census information to Housing and Urban Development, this event creates an opportunity to provide services plus information on where additional services may be found.

The Homer Food Pantry has just stocked up on both tents and sleeping bags for the event. Sleep-

ing bags were one of the most requested items last year with over 46 given away and orders taken for several more. In addition, 50 emergency food boxes are being prepared for distribution.

In addition to food, sleeping bags and tents, there will also be backpacks, emergency gear such as reflective vests, and laundry/clothing/shower vouchers, and hygiene kits.

Attendees will get connected to housing and food resources and employment and healthcare information.

Transportation assistance will be provided for those

who need it. COVID and flu vaccines and at-home COVID testing kits will be offered. Masks are required and will be made available to all.

If you know of anyone who may benefit from this event, please share this information. 

Our cache of fifty boxes waiting to be filled.

Providing food and emergency assistance, with compassion, to those seeking our services.
