

The Pantry Door

Published monthly by the Homer Community Food Pantry-April, 2019

The Coordinator's Corner.

Yes, the first day of spring is behind us and Easter is due this month. And, the Homer Food Pantry has already begun ordering the hams to help make your Easter dinner a little more festive.

On our list of accolades this month is the honoring of Food

Pantry Board
Secretary,
Lucinda Martin
as Woman of
Distinction at
the recent
Haven House
fundraising

event. Congrats, Cinda! That's a designation well deserved.

We wish a speedy recovery to our Kitchen manager, Lois Benson. She is on the mend from recent foot surgery. Get well soon so that boot can come off.

To each and every one of you, have a blessed Easter season. ☺

A Special Thanks...

..to so many who have responded to our recent request for fish, chicken, beef, game...any sort of protein.

You have answered the call.

Yet, we still face a shortage. Please, clean out your freezers and give what you can.

Thanks.

Providing food and emergency assistance, with compassion, to those seeking our services.

Honored for 25 Years of Service.

Tonya receives the proclamation.

At a recent lunch, hosted by the local PRIDE organization, Homer Mayor Ken Castner presented a proclamation honoring Tonya McGee for her 25 years of volunteer service to the Homer Community Food Pantry.

On hand to celebrate this accomplishment were many of Tonya's friends and associates. Homer Community Food Pantry Board Secretary, Lucinda Martin and Food Pantry Coordinator,

Dennis Weidler were also in attendance.

After the Mayor's presentation of the proclamation, everyone enjoyed a fine spaghetti lunch.

The Homer Community Food Pantry Board is extremely thankful to volunteers, like Tonya, who contribute so much as an ongoing commitment to our community.

They thank the Mayor for taking the time to honor such a dedicated servant. ☺

Seeking Flour Containers.

The Homer Food Pantry has been blessed with an abundance of flour. To allow shipment in the Across The Bay boxes each month, we are seeking secure containers like the one pictured. The screw-on lid makes it possible to assure that the flour arrives safely.

Yes, there is a lot of flour...but few

secure containers. If you have one similar...or even just lids which will fit, drop them off at the Donation Box on the west side of the Homer United Methodist Church, by the doors to the atrium. And, thank you! Jars and lids...we need them all. ☺
