

# The Pantry Door

Published monthly by the Homer Community Food Pantry-August, 2021

## The Coordinator's Corner.

Summer is two-thirds over. There are already signs that school is about to begin. Also visible are the needs for staffing as students return to college campuses...not that this season hasn't been challenging enough with local staffing. Last week, according to the State of

Dennis Weidler

Alaska site, there were still 230 jobs unfilled in the Homer market.

The Food Pantry has nearly ex-

hausted their supply of sleeping bags (time to place another order) and our tents have been restocked three times this season. If you have a tent or sleeping bag you would like to donate, please feel free to drop them into our donation bin anytime, 24/7. 

## A Special Thanks...

...to all who have made the Homer Food Pantry a very special place...for a long time

I was notified by Diana Jeska that the month of July marked the 30th anniversary of the Homer Community Food Pantry. Congratulations!

## Thanks To Homer Animal Friends.

Every week, Homer Animal Friends donates an average of 150 pounds of dog and cat food. By the end of each Monday's food distribution, all the animal food has disappeared.

The Homer Food Pantry could not be more appreciative. If the many four footed companions who benefit could speak, they would say thank you, as well.

If you would like to partner in the

animal food program, please feel free to donate directly the dog or cat food into the donation container. Or, if your prefer, donate to Homer Animal Friends. They'll

make sure your donation is delivered to the Food Pantry for you.

Either way, you can be sure your contribution will be eagerly welcomed and the volunteers will repackage the food for distribution each Monday.
