

# The Pantry Door

Published monthly by the Homer Community Food Pantry – March, 2023

## Dedicated Drivers!

Tom Early

Nearly every Monday **Tom Early** picks up our food orders from Save-U-More. This is a HUGE Job! Thank You Tom! \*If you'd like to help deliver food items contact Laura at the food pantry as we always need delivery volunteers!

A special Thank You to **Salmon Sisters** and **Kathy Vogle** for your generous fish donations this month! Our clients **loved** it!

## Troop 258 You Rock!

Tuong Tranthicat, Amanda Toci, Keagan Niebuhr, Rebecca Trowbridge and co-leader Tina Seaton are pictured filling backpacks for High School students who do not have a stable home and/or do not have enough to eat. This was a service project started in 2019 and continues today. The Homer Community Food Pantry supplies the food and **Troop 258** fills and helps distribute the packs. (not pictured are Evalyn Tejo, Marilyn Brewer-Cote, co-leader Beth Trowbridge and Hannah Gustafson.)

## Thanks to the Fabulous Homer Foundation!

Jacalyn Rainwater and Debbie Vantrese

Thanks to the **Homer Foundation** we received a grant for \$5,000. The only stipulation was that it had to be used for something outside the norm. We decided to dedicate the funds towards healthy food snacks for families and students in need. Our families are thrilled to receive the additional, yummy support! Homer Foundation we couldn't do what we do without your continued support! Thank YOU!

## From the Heart and With Compassion!

**Doug** and **Nadya** have been assisting clients at the food pantry with non-food emergency needs for years. Whether it's help with overdue rent, heating and electric bills, vouchers for laundry and showers, phone bills or firewood, it's Doug and Nadya to the rescue! They also help folks navigate the social service options in Homer. You have been a true blessing to so many.

Doug Dodd and Nadya Klingel

## Awesome East End Mini-Storage!

**East End Mini-Storage** donated nearly 5,000 lbs of bulk and canned goods to HCFP. We'll be making up pkgs. of rice, beans, flour and oatmeal in the near future! What a very generous donation! We were amazed and so grateful!

*Providing food and emergency assistance, with compassion, to those seeking our services.*
