

SUPPORTING EVERY STUDENT EVERY DAY

MIRAMONTE HIGH SCHOOL

Whether you are a returning Miramonte High School family or are brand new to our school, we are so excited to welcome you to our fantastic and supportive school community in August 2023! If this is the first time your family will have a student at Miramonte, you are about to discover a wonderful, new world of greater opportunities, more choices, and massive intellectual and emotional growth. Welcome to our Miramonte Community!

Donations to ONE-Miramonte support every student every day by funding:

- The academic classes that help make Miramonte a top California public high school. Every academic department receives supplemental support from ONE-Miramonte donations. These funds enable Miramonte to offer 14 extra class sections, which allows for smaller class sizes, a 7-period school day, and more course options, including Advanced Placement classes.
- The Wellness Center, counseling, and other programs that help our students successfully navigate high school life and the transition into adulthood.
- Increased College and Career Center resources to help our students find their place after Miramonte.
- Our exemplary Visual and Performing Arts programs that provide opportunities for creative and artistic expression for our students.
- Engaging student programs, services, and events such as Academy period (twice a week), Student Clubs, Link Crew, Model UN, Mock Trial, The Mirador (school newspaper), library research and educational subscriptions, Public Speaking, graduation events, and Mats Day, all of which greatly enrich the educational experiences of our students.
- Technology, classroom supplies, appreciation events, and professional development programs that support our outstanding Miramonte teachers and staff.

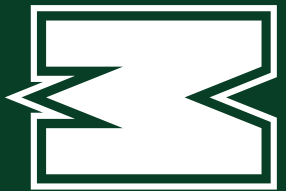

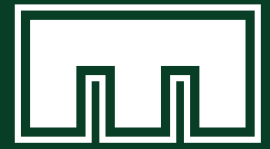

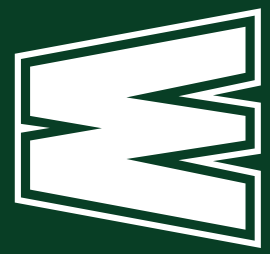

Lend a hand! We have some volunteer jobs that are perfect for working and busy parents and some that are geared toward parents who have the time or inclination to take on a bigger role. To learn more, stop by our Volunteer Table at Open House on January 26 or check out our website!

Connect With Us! Scan this QR code to check out our website, where you'll find a wealth of information, including archived newsletters, where to find us on social media for helpful reminders and updates throughout the year, and the Class of 2027 page for parents.
