valeri barker bey is not at war, valeri barker bey is at peace. she is not a **NOM DE GUERRE** in black ink nor the
any **NAME** in capital letters. she is the living. she is not a servant nor a subject, she is the law. we are the
sovereign witnesses to her true identity and proclamation and we are unified with her. we the people are of flesh
and blood, allah made manifest and we speak with one voice.

re: BARKER-BEY, VALERIE ANN; 5-54-102, 5-54-103B(1) NOM DE GUERRE

res judicata

res judicata a matter adjudged; a thing judicially acted upon or decided; a thing or master settled by judgement.
a phrase of the civil law, constantly quoted in the books. Epstein v. Soskin, 86 Misc.Rep. 94, 148 NYS 323, 324;
rule that final judgment or decrees on merits by court of **competent jurisdiction** is conclusive of rights of parties
or their privies in all later suits on points and matters determined in former suit. American SS Co. v. Wickwire
Spencer Steel Col, D.C.N.Y., 8 Nisc.Rep. 94 Conn. 303, 108 A. 805, 807; Poth v. Dexter Horton Estate, 140
Wash.

the truth speaks for itself:

hagans v lavine 415 u.s. 533., there is no discretion to ignore lack of jurisdiction. joyce v u.s. 474 2d 215; the law
provides that once a flesh and blood person dba **State and/or Federal Jurisdiction** have been challenged, it must be
proven. main v thiboutot 100. s. ct 2501 (1980); " jurisdiction can be challenged at any time " and "jurisdiction,
once challenged, cannot be assumed and must be decided". basso v utah power and light co. 495 f.2d 906,910.

as all **natural persons** dba **Government entities** and alleged Private Corporations must be a creature of the
american constitution, this is a formal command for the flesh and blood bing dba **Upper Arkansas Area Council of
Governments, Government of Arkansas and/or Judges, Clerks, Agents, Assigns, Principals** to produce for the
record, the physical documented ‘delegation of authority’, as proof of jurisdiction, as required by law, per article
iii, section 1 of the united states republic constitution, ‘1791’.

lack of proof is a sign of incompetent jurisdiction and a color of law

public hazard bonding of natural person dba Corporate Agents and/or Public Officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice Bonding Company and the policy number of the bond and, if required, a copy of the policy describing the bonding coverage of their specific job performance. failure to provide this information constitutes Corporate and Limited Liability Insurance fraud (15 usc) and is prim a facie evidence and grounds to impose a lien upon the Private entities personally to secure their public oath and Service of Office. (18 usc 912).

"whoever, having taken an oath before a competent tribunal, officer, or flesh and blood bing, in any case in which a law of the united states authorizes an oath to be administered, willfully and contrary to such oath states or subscribes any material matter which he does not believe to be true, is guilty of perjury and shall be fined to the fullest extent or imprisoned not more than five years or both." 18 u.s.c. §1621

Clearfield Trust Company vs. United States 318 U. S. 363 – 371 (1942): Private entities dba "Government descend to the level of a mere private entity dba a Corporation and take on the characteristics of a mere private citizen where private Corporate Commercial Paper [Federal Reserve Notes (FRNs)] and 'Securities' [Checks] is concerned. ... for purposes of suit, such entities dba Corporations and individuals are regarded as entities entirely separate from government," the people.

as all pass writs of discovery have not honored, by providing proof of jurisdiction this notice of fault judgment must be honored and all claims, petitions, suits, fillings with any third party corporations regarding the living valeri barker bey must be dismissed and expunged.

let it be noted for the record, on the record and let the record show a response is required 3 days from receipt of this letter. if no copy of the certified delegation of authority order or proof of contract with the living is received within the specified time frame this affidavit of fact - writ of discovery stands as law affirming again that the CORPORATE persons/entities dba Public Officials does not have jurisdiction as per article iii, section ii of the united states constitution.'1791'.

case law: us v minker, 350 us 179 at 187(1956), supreme court of the united states 1795 states: "inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a Government can interface only with other artificial persons. the imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. the legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than Corporate, artificial Persons and the contracts between them."
