The AMERICAN BAR ASSOCIATION, its members, the BRITISH BAR ASSOCIATION and its members, the various acting COURT ADMINISTRATORS, and any and all JUDICIAL COUNCILS created by the UNITED STATES OF AMERICAN (minor) are notified and ordered to cease and desist practices, presumptions, and procedures which serve to defraud living Moorish Americans and lay false claims against their private property under pretense of death, war and color of law. There is no fully disclosed and actual maritime contract in existence nor entered into evidence and subjected to the Moorish American Judiciary or the Moorish American Court for examination and open discussion, therefore no valid contract can be presumed to exist and no American estate or other vessel can be prosecuted under any maritime or admiralty jurisdiction. We declare and affirm that the organic Constitution for the united States of America and its binding treaties and the Ancient Divine Delegation of Authority is the permanent jurisdiction of the Moorish American nationals at all points in time. By the clear admission by Pope Francis in his 4 July 2014 Motu Proprio, of his own motion, it is expressed that no such valid contract exists explicitly nor implicitly. We Moors reside in the jurisdiction of our ancestral inherited estate at all times. All Moorish American nationals as heirs to the land are protected by the Ancient and Divine law, by treaty and by national trust and are owed safe conduct for themselves and their vessels at all times and in all places. fraud and monopoly inducement practiced against us in breach of trust and contract default. All actions of the various Foreign CORPORATE Courts operating in maritime and admiralty jurisdictions and merely presuming death based upon the inaction of Moorish American nationals and serving to establish maritime salvage liens against our estates are by these Orders invalidated, made null and void. We proclaim herein that Moorish Americans are the beneficiaries, executors, claimants, creditors and administrators of our global estate. All Moorish American nationals whose names and estates are presently included on tax rolls, who are recorded by census data, school records, birth certificates, and other public documents must be presumed to be alive and competent in the absence of a properly sworn Death Certificate signed by the local Coroner stating cause of death, date, time, and place, corroborated by at least two responsible and knowledgeable living witnesses. In the case of legitimately missing people diligent search and fully disclosed publication of all claims against their estates must be made by giving Notice to the last known mailing location and next of kin. Any contrary presumption or practice is fraudulent, null and void. Any action of the Foreign CORPORATE Courts operating in maritime or admiralty jurisdictions and making claim upon actual real assets of Moorish American nationals using fraudulently CAPITALIZED names on behalf of legal fiction "missing persons" owned by the UNITED STATES OF AMERICA, Inc., UNITED STATES, FEDERAL RESERVE, FEDERAL RESERVE BANK or any franchises or agencies thereof, are similarly rendered null and void. Once created legal fictions do not have any necessary or valid estate. Any estate presumed to be obtained by legal fiction entities by process of semantic deceit or undisclosed contract belongs in truth and law to those defrauded. Moorish Americans are the ones who have been defrauded.

All Moorish American Consulate Judges, Consuls, staff and all Moors, regardless of family, tribe, community, group, nation or empire are living, full life Beings, are not fictional corporations but are the rightful beneficiaries, executors, claimants, creditors and administrators of our global estate trust and all its assets. Your compliance is mandatory in this and all Moorish matters everywhere.

You are to inform all persons, individuals, corporations, organizations etc., of the UNITED STATES OF AMERICA CORPORATION, United States of America, Inc., the commercial company doing business as the UNITED STATES, INC., any entities doing business as the USA, the UNITED STATES OF AMERICA, E PLURIBUS UNUM THE UNITED STATES OF AMERICA, and any of its successor organizations inheriting government services contracts, pursuant to Title 18 §1028 (d)(3), to accept our Nationality cards as valid identification.

These matters, et alia, must be seen in a lawfully prescribed venue, Moorish American Consular Court, supported by **Article III (3) sections I (1) and II (2)** of the Constitution for the united States of America and its Republican form of government supported by **Article IV (4) section IV (4) and Article 20 and 21** of the Treaty of Peace and Friendship between the Empire of Morocco and the United States of America – 1787.

Any attempt to adjudicate on the part of anyone, pretending to be an executive administrator pretending to be a judge under admiralty or maritime jurisdiction, prosecutor or officer of the corporate court in such controversies, between a Moor and a United States citizen without consul's present, is operating on 'Color of law' and 'Color of Authority' and thus fraudulent; being subject to The United States Codes of Law – **Title 18, Chapter 13, Sections 241 & 242** et alia. Moorish Americans are not to be detained by corporations at any point in time as the Constitution must be honored and the Moorish American Consulate must be contacted immediately and made aware of all issues. Article III courts of equity prevail in all jurisdictions.

States and corporations cannot make treaties and therefore, have no jurisdiction, being of a Treaty Nature the Jurisdiction between any Moor and United States citizen is Federal, allodial and particularly not of a maritime or admiralty nature. Any Jurisdiction claimed that is other than Constitutional Article III jurisdiction where Moorish Americans are involved is void of Law. UNITED STATES corporate officials must assist with the setup of our Moorish American Consular Courts per the United Nations Vienna Convention on Consular Relations, as our courts have lawful jurisdiction on the Land in all affairs and in particular in Moorish affairs. In all interactions where corporate status prohibits interference with allodial Moorish American Consuls and Moorish American nationals, there can and will be no resistance to the lawful demands of the Moorish American nationals who are the sovereign heirs and sovereign governing bodies at North America.

From the Prophet, El Hajj Sharif Abdul Ali:

I, the Prophet, do hereby believe that this administration of the government being more wisely prepared by more genius citizens that believe in their free national constitution and laws and through the help of such classes of citizens, I, the Prophet, truly believe that my people will find the true and Divine way of their forefathers, and learn to stop serving carnal customs and merely ideas of man, that have never done them any good, but have always harmed them.

So, I, the Prophet, am hereby calling aloud with a Divine plea to all true American citizens to help me to remove this great sin which has been committed and is being practiced by my people in the United States of America, because they know it is not the true and Divine way and, without understanding they have fallen from the true light into utter darkness of sin, and there is not a nation on earth today that will recognize them socially, religiously, politically or economically, etc. In their present condition of their endeavorment in which they themselves try to force upon a civilized world, they will not refrain from their sinful ways of action and their deeds have brought Jim-Crowism, segregation, and everything that brings harm to human beings on earth. And they fought the Southerner for all these great misuses, but I have traveled in the South and have examined conditions there, and it is the works of my people continuously practicing the things which bring dishonor, disgrace, and disrespect to any nation that lives the life. And I am hereby calling on all true American citizens for moral support and finance to help me in my great missionary work to bring my people out of darkness into marvelous light.
