NOTICE: Zachery B./DBA Executive Office Case Specialist , and all Administrators, Servicers, Assigns, Principals, Agents or Successors, herein and hereby Incorporated by this reference, RESPONDENT(S). by the paramount director, beneficiary, creditor for the public trust JOHNNIE M WALKER, The United State Inc ., the debtor.

Case number: 06202209089053454,

be it known that there are only two things happening on this planet/earth, gaia, the dead and the living. people doing business as and under the UNITED STATES INC., the Dead , the Servants and Obligor ... and the people, the living, the creditors and the authority.

whereas; national and Federal law provides that it is a crime to violate the rights of the people under the color-of-law. you can be held personally liable for violating the personal liberties of the people, and for committing 'fraud'. **attempting to cause a person/entity** to do something by telling that person that such action is required by law, when it is not required by law, it is not only fraud, it is a felony and is treason. **title 18, part 1, chapter 13 §241, §242 and §245 of United States codes of law**.

whereas it is your duty; all entities DBA and under the UNITED STATES INC., to set off and settle all debts in accordance with natural/universal law.

re: trust law: notice of tender: in accordance with trust law, and HJR 192 (as codified in 31 USC § 5118 and 12 USC § 95 a (2). trustee shall set off, settle and close the account.
