i johnie mae wilson, a living being, moor american national. in propria persona sui juris, in proprio solo, and in proprio heredes. i am a free moor-american, here at morocco/ north america. no UNITED STATES Corporate Person has personum jurisdiction over me or any other natural living being. the enforcement and the true authority of this court lies with the living and not with the dead, a Corporate entity dba a Government which has no substance. there for it does not diminish the power or the authority of the natural people of the land. we the people, who are the moorish national government and the moorish american consulate as well as the moorish american consular court have brought this cause of action.

be it known as of June 5, 2018, notice of the moorish americans existence was issued to all united States Corporate entities which fired and convicted all entities dba citizens and/or persons under the UNITED STATES Corporation Company and their Officers of fraud, extortion, human trafficking, involuntary servitude, murder, high treason, for crimes against humanity. the order for all entities pretending to be governmental, judicial, law enforcement and assumed powers and/or authority have been revoked and nullified and all such entities were ordered to stand down, and as of this present day and time that order still stands.

“...sovereignty itself remains with the people, by whom and for whom all government exists and acts. and the law is the definition and limitation of power...” [yick wo v. hopkins, 118 us 356, 370]
