affidavit en fact, writ en the nature of
un-lawfully occupying of sovereign indigenous land

to: Peter DeFazio dba COMMISSIONER, and all Corporate employees
2134 Rayburn Office Building, Washington, DC 20515

i am johnie mae wilson aka joniah joni el, a natural live being and not a 14th Amendment US Citizen, i have been continuously violated by your so called public servants(i.e. employees) pretending to be public officials, you are ordered to stand down and stop your acts of fraud; which is clear evidences of genocide.

Whereas: case law: us v minker, 350 us 179 at 187(1956), supreme court of the united states 1795 states: "inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. the imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. the legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them."

pursuance to; "23. PUBLIC HAZARD BONDING OF CORPORATE AGENT: All officials are required by Federal, State and Municipal Law to provide the name, address and telephone number of their public hazard and malpractice bonding company, the policy number of the bond and if required, a copy of the policy describing the bonding coverage of their specific job performance.3

Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prima-facie evidence and grounds to impose a lien upon the official, personally, to secure their public oath and service of office.24. This International Commercial Obligation Lien is, in part, supported & prefaced on UCC-9/102 (Agricultural Liens); UCC 9/607-610 (Secured Party's Right to take possession after default), with all rights reserved" (all rights exercised at all time).

No farther communication is necessary and it is not an option when Corporate Persons are pretending to be the de jure government which is not honorable; thereby striping any and all Corporate Person(s) of any assumed authority over natural living beings. whereas i have given many notices over the pass years, and the issue has not been resolved. The unidentified Corporate Persons continuous attempts to communicate and violate the natural people without contract and without full disclosure, subjects the Corporate Persons to suit for damages under the 'fair debt collections act, i.e. under natural law.

Remedy: you are charged with Genocide, **un-lawfully occupying of sovereign indigenous land**, here at north america, northwest amexem, northwest africa. and are hereby sentence and commanded to stand down until such time to be arrested, and place in jail for life, and/or until such time to be deported to : **guan-tanamobay cuba** permanently. all of your commerce and that of all agents, principals, heirs and assigns are hereby terminated by way of sovereign universal commercial code 1 lien, re: civil orders July 4, 2014, www.spiritualbreeze.org/for gotten scrolls / civil orders July 4, 2014.

Upon my inherited status, i joniah joni el, being a descendant of the ancient moabites in other respect known as american – al moroccan – moor, standing squarely affirmed upon my oath to the ‘five points of light’ – **love, truth, peace, freedom, and justice**; being competent (in my our proper person) to attest to this affidavit upon which i place my autograph; whereas, i state, proclaim, and declare the following to be true, correct, not misleading, and not intended to be presented for any misrepresented, ‘colored’ or improper use or purpose.
