***Criminal RICO-Law***

*To violate RICO, a person must engage in a pattern of racketeering activity connected to an enterprise. The law defines 35 offenses as constituting racketeering, including gambling, murder, **kidnapping**, arson, drug dealing, bribery. Significantly, mail and wire fraud are included on the list. These crimes are known as "predicate" offenses. To charge under RICO, at least two predicate crimes within 10 years must have been committed through the enterprise.*

*The UNITED STATES CORPORATIONS Companies has surpassed 10 years.*

**reference:** The Freedom of Information Act, 5 U.S.C. Sect. 552, As Amended By Public Law No. 104-231, 110 Stat. 3048

*PUBLIC HAZARD BONDING OF CORPORATE AGENTS all officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company and the policy number of the bond and, if required, a copy of the policy describing the bonding coverage of their specific job performance. Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prim a facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office. (18 USC 912)*

for a crime to exist, there must be an injured party (**corpus delicti**). there can be no sanction or penalty imposed on one because of this constitution right. Sherer v. Cullen 481 F. 945

whereas; the constitution for the united States of america 1791 and the treaty of peace and friendship 1836, affirms without doubt or contradiction that all Public Servants of every Federal and States Government are bound to the american constitution and therefore all Agencies of said Federal and State Government must have a "Delegation of Authority.

Pursuant to Article III, Section II of the United States Constitution Judicial Authority is vested in the Supreme Court or a lower court which has a "**Certified Delegation of Authority Order**". furthermore, we demand, as is our Constitutional / treaty secured rights, a copy of the 'Oath of Office', Oath of Ethics, and Bond Number for all State/Government Officials, Employees, Judges, Prosecutors, Agents, Clerks, and anyone who has touched or is in anyway involved with this case or any other case; per Article VI of the United States Republic Constitution and Article XI of the Constitution of the State of Connecticut.

all cases which have cited Marbury v. Madison case to the Supreme Court have never been overturned. (See Shephard's Citation of Marbury v. Madison)

**being that:** the constitution was ordained and established by the people "for" the United States of America, aka government. therefor government was created by an act of the people. therefor the creation (Corporate Person) **cannot trump the creator.**

“Where rights secured by the Constitution are involved, there can be no rule-making or legislation, which would abrogate them. Miranda v. Arizona 384 US 436, 125:”

"When acting to enforce a statue and its subsequent amendments to the present date, the Judge of the Municipal Court is acting as an Administrative Officer and not in a judicial capacity; courts in administering or enforcing statues do not act judicially, but merely ministerial"

**Thompson v Smith 154 SE 583**

" a Judge ceases to sit as a Judicial Officer because the governing principle of Administrative Law provides that courts are prohibited from substituting their evidence, testimony, record, arguments, and rationale for that of the Agency, additionally; Courts are prohibited from substituting their judgment for that of the Agency.
