Hi Joniah,

Thanks for reaching out to us.

We are sad to hear that you would like to cancel your subscription with us. As much as we would like your continued patronage, the Free trial is an amazing opportunity and there is no limitation to learn any course on our platform.

We have designed our services in the most flexible and convenient way possible. You can reschedule your classes to your desired date and time. There really is nothing stopping you.

If you still wish to cancel, you will need to go into your member area Here and select 'My Profile' and then 'Memberships & Payments' and follow the process. You will receive a couple of alternative options. For a specific subset of students, you may be prompted to complete cancellation over the phone using a phone number presented to you.

If you need any further assistance, please contact us back.

Shaw Academy Support Team.

We would like to request that you do not raise multiple reviews, tickets or email multiple email address. As we have to read every single one of them, it will inadvertently slow us down and prevents us from handling the queries in a prompt and accurate manner. This has also a large impact on other customers looking to get support as we cannot get to them. We hope that you understand our intention is to be as prompt and professional as possible and it is for those reasons that we share this information and ask you to inform others of this.

Kind Regards,
Issac
