Products & Services

Welcome to the AFS family!
Where we have only one mission...

“To be the best part of our customers’ day, every day”

When you work with us at AFS, you’re buying local and gaining access to quality products & professional service...where we re-invest in you. We don’t leave anything out, and strive to provide all members of our family with the best products & service.

WHO WE ARE: Established in 2005, AFS Staff are fitness enthusiasts that represent brands that demonstrate quality, service, & functionality... we wouldn’t sell them if we wouldn’t use them.

WHAT WE DO: AFS sells fitness equipment to any and all markets/industries that seek the best in fitness. From concept to completion, AFS can assist with product selection, room layout & design, equipment financing, product use demonstration, & repair services.

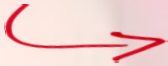

WHERE WE ARE: AFS is located in Kennewick, Washington, and has the ability to provide products & services to all of Eastern Washington, Northern Idaho, and Northeast Oregon.

HOW TO REACH US: AFS Staff can be reached via phone, email, or social media.
