Dear Investor,

Main Street Elkader has a vision for Elkader to be a model of success; a place where people come together and work together to enhance a standard of living that fosters all generations through the creation of an artful and historic downtown. The Main Street program works to implement economic development, historic preservation and educational opportunities in our community. The program values each business and values each individual. Main Street Elkader projects and events are coordinated to create a sense of place and to enhance quality of life. We look to you as business partners, community members and friends to invest in the Main Street Elkader program to foster change and growth in our community. You can choose to support our program at one of the following levels: Pacesetter, Builder, Promoter, Supporter, Investor, Patron or Friend.

Your contributions will be used towards promotion, design, & economic vitality. We sincerely appreciate your support in making Elkader a vibrant, strong, and growing community. We value all volunteer efforts and financial support; at whatever level, you can provide.

Sincerely,

Kate Lower, Executive Director

Janis Lerch, Board President
