

CELEBRATING 35 YEARS!

MAIN STREET ELKADER

Main Street Elkader has had a vision for Elkader to be a model of success; a place where people come together and work together to *enhance a standard of living* that fosters all generations through the creation of an *artful and historic downtown*.

Since 1991, Main Street Elkader has played a key role in transforming our community through impactful projects, millions in investments, and significant grant funding. Over the last 35 years, Elkader has not only thrived but also set the stage for future growth, and the benefits of our work extend far beyond the Main Street district. Each improvement in the downtown area creates a ripple effect, positively influencing the entire community and region.
