Calling All Compatriots

## Program

This is a very important meeting as we work on a budget for the general fund and other chapter programs. Tom Adams will have information regarding the funds needed for youth programs. Another important item in the budget is the Community Service Awards Program. We will be voting on the nominations for these awards at this meeting. The committee for the CSAP has asked me to express the importance of attending this meeting to get an overall membership expression of who they want to receive the awards. It is obvious we can not support programs we do not have the funds for. Your input is a valuable tool for the executive committee to proceed on a financial plan for the upcoming year and beyond. We have been fortunate so far to have enough cash on hand to fund all of our programs, however our cash flow is getting harder to predict. We will probably not completely resolve the budget during this one meeting but with your help we will have a good start and will be able to bring a budget to the membership during the fall meetings.

**We need your input!** Please attend the meeting Tuesday the 24th.

Thank you,  
Tom Douglas  
Secretary/Treasurer
