

# Display Towers

---

A DISPLAY OF FINE CRAFTSMANSHIP.

Quality you've got to see and feel to believe.

While the beauty of our collections is apparent in our catalog, it's important for customers to experience our knobs and pulls first-hand in the showroom. Our display boards encourage customers to see, touch and examine the fine craftsmanship and beautiful design for themselves – feeling the solid weight in their hands.

To complement the form and finish of our collections, display boards are available in white or maple finish and come in a unified size – 22.5" x 22.5". In addition, you may select from our two 12-board premium wood display towers, which come in a maple or white finish.

Maple finish  
84" x 26" x 26"
