WHAT SETS US APART

COMMITMENT TO CRAFTSMANSHIP

Our cabinets are built to last, using only premium materials such as **Blum hardware**, **Trupan High Plus MDF**, and **Polyurethane finishes** — ensuring durability, beauty, and long-term performance.

PERSONALIZED CUSTOMER SERVICE

Our dedicated **Inside Sales Team** is here to support our dealers with product questions, technical details, and warranty assistance — all with a solution-oriented mindset and **quick turnaround**.

SUPERIOR WARRANTY

We stand behind our products with a **reliable, comprehensive warranty**, giving our clients peace of mind and reinforcing our reputation.

LEAN MANUFACTURING ADVANTAGE

Thanks to our lean production processes, we offer an industry-leading **8–10 week lead time** for **semi - to fully customized cabinetry** — without compromising quality.

DEALER SUCCESS IS OUR SUCCESS

We don't just supply cabinetry — we build partnerships. Every new and existing dealer receives **onboarding support**, as well as **ongoing training** and communication to stay informed and competitive.

PRODUCT OFFERING

DOOR STYLES AND MATERIALS

Choose from over 100 door styles including wood, MDF, and melamine. Whether you're looking for a sleek contemporary look or classic charm, we can provide a selection to meet every taste.

CABINET CASE MATERIALS

We offer two standard cabinet case materials: **particle board** and **plywood** — both available in a variety of surface options including melamine colors and wood veneers.

DRAWER STYLES

Select from four drawer styles: Dovetail, Metabox, Melamine, and Legrabox — each with various drawer slide choices for enhanced performance and functionality.

TFL AND THERMO OPTIONS

Our TFL line features modern options including high-gloss, matte finishes, and realistic wood grain textures — ideal for sleek, contemporary spaces.

WOOD SPECIES AND FINISHES

We carry six of the most current wood species (maple, oak, white oak rift cut, walnut, cherry, and pine) with more than 40 standard paint and stain colors. With a fully equipped internal paint mixing lab, we offer custom color matching to align perfectly with your design vision.

CUSTOM DIMENSIONS AND SOLUTIONS

We specialize in custom dimensions and shapes beyond our standard 20/20 catalog. Our engineering department is here to help tailor solutions to your customers' unique needs.

QUALITY ASSURANCE

All painted and stained parts go through two inspection points before reaching the assembly lines. Cabinets are inspected three times before packaging. CNC-machined cabinet parts ensure precise fit and high-quality results.
