The Book of Galatians

Join Pastor Robert on Sunday mornings as we study the Book of Galatians.

The book of Galatians talks about the importance of understanding and maintaining the doctrine of faith and grace, particularly in the face of challenges from false teachings that promote works and traditions over faith. The author emphasizes the distinction between different types of righteousness, such as political, ceremonial, and Christian righteousness, with a focus on the passive righteousness of faith in Christ. The text warns against falling into the trap of relying on one's own works for salvation, highlighting the need to grasp the concept of grace and forgiveness through Christ. It stresses the significance of teaching and practicing this doctrine to combat the influence of legalism and ensure a proper understanding of Christian righteousness. The text also touches on the role of the law in the life of a Christian, advocating for a balance where the law governs the flesh but does not oppress the conscience. Ultimately, the text underscores the necessity of discerning between active and passive righteousness, with a strong emphasis on the belief in Christ's righteousness as the foundation of salvation and the source of true peace and joy in the Christian life.

We look forward to seeing you next Sunday.

Youth Ministry

— *Caitlyn Lockwood, Youth Minister*

Camp was a great success! We were able to take 21 students and four adult leaders to Highland Lakes Camp & Concerence Center for Journey camp and while we were there we had three people accept Christ for the first time, two redicate their livees to the Lord, and one student answer the call to full time youth ministry! Thank you for all of your prayers as we prepared for that time and we are already looking forward to next year and securing more spots so even more youth have the opportunity to attend.

Mother's Day Out

— *by Sharon Cummings, Director*

Another fun, successful year in the books at MHBC Mother's Day Out. We celebrated our Pre K with their end of year field trip to McKenna Children's Museum and picnic lunch at Landa Park. We were so blessed to have many of the parents and grandparents accompany us.

Then Friday, May 24, we held our Pre K graduation ceremony. We graduated 16 Pre K children, sending them off prepared for Kindergarten. Our two, Three-year-old classes performed to the delight of the audience.

I am going to need some teachers, and of course I always need subs to be available on short notice. If you know of any interested people, please have them contact me. The smiles, hugs and love received from the children are priceless.

I am scheduling tours for interested new parents. We accept children 4 months through Pre K. We have Nursery, Toddler, Two's, Three's and Pre K classes. If you know of families looking for a Bible based MDO, please have them contact me at (210) 656-1194 or mdo@madisonhills.com.
