

## A Note From The Pastor

— Robert Bennett, Senior Pastor

Hey there! I've got some thoughts on how to be a great friend.

Friendships are super important for everyone, even if you think you don't need one. But guess what? You'll probably find yourself needing a friend someday. So, why not start making friends today?

Remember, friends aren't found; they're made. And it's not always easy. A lot of people are looking for friends, but the truth is, friends are made. That's the tricky part.

To make a friend, you have to be a friend. And that means putting yourself out there and being available to others.

One person said it perfectly: "I've made more friends with my toolbox." That means you have to get involved with people in any way you can. If you see someone who might need a helping hand, try to be there for them. The greatest gift you can give someone is your help. And when you help others, you'll start the process of making friends.

But there's always a risk that by helping people, they won't be a friend to you. That's the risk to making friends. But hey, that's part of the adventure!

Another way to make friends is to be an encouraging person. Celebrate others and their accomplishments. Lift them up when they succeed.

So, when should you start making friends? Start today! One way to start is to encourage them to come to church with you. This summer, make a new friend by encouraging them to come to MHBC with you.

Let's make some friends this summer!

## Mother's Day Out

- by Sharon Cummings, Director

Another fun, successful year in the books at MHBC Mother's Day Out. We celebrated our Pre K with their end of year field trip to McKenna Children's Museum. We were so blessed to have many of the parents and grandparents accompany us.

Then Thursday, May 15 we held our Pre K graduation ceremony. We graduated 15 Pre K children, sending off prepared to Kindergarten. Our Three-year-old classes performed to the delight of the audience.

I need one teacher for my Toddler class and possibly another teacher for a third three-year-old class. Of course, I always need subs to be available on short notice. If you know of any interested people, please have them contact me. The smiles, hugs and love received from the children are priceless. I am scheduling tours for interested new parents. We accept children 4 months through Pre K. Right now my Nursery and Three year old classes have a waitlist. If you know of families looking for a Bible based MDO, please have them contact me at (210)656-1194 or mdo@madisonhills.com.

### Music Camp 2025 – got fruit?

What an amazing week of music-making with our kids! We had 21 students over the course of the week and the MOST incredible team of 27 volunteers that made the week run super smoothly. It seemed like every time I thought of something that needed to be done, someone was already there, handling it. It was truly amazing to be a part of such an incredible team of servants who love kids, love music, and love their Lord. I am overcome with thankfulness! If you worked Music Camp, I hope you know what a blessing you are and how much I appreciate you!!!
