

1. Learning Objectives and Goals (20 points)

- **Outstanding (16-20 points):** Clear, specific learning objectives aligned with the student's academic and career interests. Objectives are challenging yet achievable.
- **Good (11-15 points):** Learning objectives are defined and relevant but may lack specificity or alignment with career interests.
- **Satisfactory (6-10 points):** Objectives are general or somewhat vague, with limited alignment to the student's interests.
- **Needs Improvement (0-5 points):** Learning objectives are unclear, overly broad, or not aligned with the student's interests.

2. Quality of Assignments and Projects (20 points)

- **Outstanding (16-20 points):** Assignments are engaging, challenging, and directly related to the student's learning goals. Projects encourage critical thinking and creativity.
- **Good (11-15 points):** Assignments are relevant and moderately challenging but may lack creativity or depth.
- **Satisfactory (6-10 points):** Assignments are somewhat relevant and may not fully engage the student or challenge their skills.
- **Needs Improvement (0-5 points):** Assignments are not relevant or engaging and do not challenge the student.

3. Mentorship and Support (20 points)

- **Outstanding (16-20 points):** Regular, constructive feedback from a dedicated mentor. Mentors are accessible and provide guidance, support, and encouragement.
- **Good (11-15 points):** Feedback is provided, though it may not be as frequent or in-depth. Mentors are generally accessible and supportive.
- **Satisfactory (6-10 points):** Feedback is occasional or general. Mentor support is limited or inconsistent.
- **Needs Improvement (0-5 points):** Minimal or no feedback from mentors. Limited support or guidance.

4. Skill Development (20 points)

- **Outstanding (16-20 points):** The internship significantly enhances key skills relevant to the student's career interests, including technical, communication, and problem-solving skills.
- **Good (11-15 points):** The internship provides some skill development but may not fully address all relevant areas.
- **Satisfactory (6-10 points):** Skill development is minimal or not well-aligned with the student's career goals.
- **Needs Improvement (0-5 points):** Little to no noticeable skill development.

5. Professionalism and Work Ethic (10 points)

- **Outstanding (8-10 points):** The student demonstrates exceptional professionalism, reliability, and a strong work ethic. Meets or exceeds expectations consistently.
- **Good (5-7 points):** The student shows good professionalism and reliability, with minor areas for improvement.
- **Satisfactory (3-4 points):** The student displays basic professionalism but may need improvement in reliability or work ethic.
- **Needs Improvement (0-2 points):** The student lacks professionalism or reliability, and work ethic is poor.

6. Engagement and Initiative (10 points)

- **Outstanding (8-10 points):** The student shows high levels of engagement, takes initiative, and contributes positively to the team or project.
- **Good (5-7 points):** The student is engaged and takes some initiative, though there is room for more proactive contributions.
- **Satisfactory (3-4 points):** The student is somewhat engaged but rarely takes initiative or goes beyond assigned tasks.
- **Needs Improvement (0-2 points):** The student shows little engagement or initiative.
