Excellent Manners before Knowledge

Steps to Apply for Kindergarten

To begin the admission process, please submit a completed Application. Families are encouraged to submit the Application as soon as possible in order to ensure availability of an interview appointment. Submitting a photo of the applicant is optional but encouraged. Families can request an application via email or telephone:

Email: Director@Toobaa.org

Phone Number: (718) 626-5100

Once you have submitted your application for Kindergarten, we will call you to schedule two appointments: parent interview; and a visit for your daughter.

Parent Interview

After you have submitted the Application, we will call to schedule your family's visit to Toobaa Academy. We request that both parents visit the School in order to interview with the Admissions Director or one of her Associates. An interview is a required part of Toobaa's admissions process. While we do our best to schedule all families who submit an Application, interview appointments are limited and we encourage families to submit the Application as early as possible. After appointments have filled, a waiting list for interviews is created.

An Application must be submitted before you can be scheduled for a visit.

Child Visit

While applicants are observed in small groups, parents who have accompanied their daughters are invited to an informal meeting with the Director.

School Reports

Please arrange to have any written reports and official transcripts sent to Toobaa Academy from your daughter's current school.
