

Summer Inventor's Camp

The Shop Class **Big Ideas** Camp is an exciting weeklong, fun-filled learning experience created for young inventors, artists, and entrepreneurs.

Days are packed with creative projects and play. We honor neurodiverse learners' individual learning styles and work to provide a place where everyone has a chance to thrive. We celebrate curiosity and innovation as we share inspirational stories about motivation, resilience, and creative courage.

The Shop Class Big Idea Camp is an immersive way to experience the path from initial scribble to product creation. Give your future entrepreneur or inventor the confidence to build their big idea.
