Income Disclaimer

Practicality dictates that everyone's results will vary as we are all unique and different. Basically, it takes hard work to make a substantial income in this business. Some people will make no money at all. The earnings of a Surge365 Business Associate will be **100%** dependent upon their skills, work effort, commitment, leadership capabilities, and market conditions. Common sense would suggest that in most opportunities, one would find exceptional individuals performing well above average, while others perform under the average. Surge365 does not guarantee any level of income. The average active and inactive participant in Surge365 earns less than **\$495.15** per year. The average income for Active SBAs in all SBA levels in 2024 was **\$2,008.93**. This does not account for any business expenses that one might incur while building the business.

Please note: The income period for figures shown on this document is 1/1/2024-12/31/2024.

A couple is relaxing on lounge chairs by a swimming pool. The man, on the left, is wearing a yellow swimsuit and sunglasses, lying down with his head back. The woman, on the right, is wearing a white lace top and a large straw hat, sitting up and holding the man's hand. They are both barefoot. The pool is in the background, with a building and palm trees visible. The sky is blue with some clouds. A semi-transparent teal box with white text is overlaid on the upper part of the image.

our lives with memorable
experiences.**

But This Is The Reality

Financial Problems

- ▶ Spending power down over \$7,000 since 2021
- ▶ 77% of people are worried about finances

Do You Agree This Is A Problem?

If you're part of the **77%** who are currently worried

- You must take action now
- Waiting will only make things worse

If you're part of the **23%** who are currently OK

How long before this affects you?

Imagine...

- Financial freedom
- Time freedom
- Earn money from home or on the go from your mobile device.
- Traveling the world

Warren Buffett Says...

“Things you like to do should be a hobby of yours, Things the world does should be a business of yours.”

We are the answer, we can help

A man and a woman are looking at a map together in front of a large, ornate cathedral. The man is holding the map, and the woman is pointing at it. They are both smiling and looking up at the cathedral. The background is a low-angle shot of the cathedral's facade, showing its intricate details and tall spires.
