TRASH AND DUMPSTERS GUIDELINES

To: All Towne House Residents

Please be considerate of your neighbors when putting out your trash and recyclables. If the first trash dumpster is full – go to the next dumpster. **Do not put trash in a dumpster if the lid does not close.**

If the recycle bins are full, put the items in a dumpster. **Nothing should be placed on the ground** – all items should be put in dumpsters with the lid closed.

If you have **furniture or other large items** to discard, please call the Office to arrange for pick up. Do not put furniture or large household items in the dumpsters.

Thank you in advance for your cooperation.
