## **PLEASE STAY OFF THE DUNES!**

To: All Towne House Residents

No one is allowed in or on the dunes at any time. The dunes are part of our coastal conservation system and are not to be disturbed. This is also a reminder that no dogs are allowed on the beach. Both these violations are subject to fines by the Town of Hempstead and Department of Conservation.

Our dune system is what saved us from catastrophic damage during Super Storm Sandy. Not too far away, the Lido Towers was almost destroyed by this storm because of the lack of a dune system to protect them.

Do not take our dune system for granted and please stay off the dunes at all times.

Thank you in advance for your cooperation.
