PLEASE DO NOT FEED THE FERAL CATS

To: All Towne House Residents

We are seeing an increase in the population of these cats in the community and they are taking up residence in the yards of our unit owners.

While compassion towards these animals is admirable, many unit owners do not want stray animals in their yards and some residents are highly allergic.

We also ask that unit owners do not feed their pets outside. The food not only attracts these cats but could also attract vermin and other unwanted pests. We want to **discourage**, not **encourage**, these animals from the property.

Thank you in advance for your cooperation.

The Board of Managers
Towne House Condominiums at Lido Beach
