2020 MEMBERSHIP DRIVE

Our Annual Membership Drive will be starting in January this year. Whether you are new to the community, have lived here but never joined or have joined each year, we are inviting you to become a member of the Civic Association for 2020.

The Civic Association sponsors social events, educational speakers and programs that are of interest to the community. Civic also donates back to the community each year with a "gift". Our past donations have included the water fountain/refill station at the pool; the benches on the boardwalk on the way down to the beach; the TV in the Clubhouse and the 9/11 Memorial Trees now located in our new Memorial Garden at the front of the property.

This past year, along with the Board of Managers, we sponsored a Veteran's Day ceremony at the Memorial Garden honoring all of the veterans currently living at the Towne House. We'll have a similar ceremony in the Spring for Memorial Day. We are very proud of our former, current and future service men and women at the Towne House.

We are excited about the upcoming year and look forward to your participation.

Sincerely,

Lido Towne House Civic Association Membership Committee
