December 8, 2020

To: All Residents

## GateKey Update Notification

On Thursday, December 10th, the present version of GateKey will become obsolete and we will be upgrading to the new version of GateKey. All guest information should automatically migrate to the new system.

One of the new features of GateKey will be a mobile app enabling users to communicate with GateKey via their smartphone.

After the upgrade takes place, when you log in, you will be directed to the new site which contains a video explaining all the new features and how to navigate through the new system.

If you have any issues after the migration, please contact the office.

Sincerely,

The Board of Managers  
Towne House Condominiums at Lido Beach
