## **TWENTY-FOUR HOUR GUARD SERVICE**

The three-month trial period of Remote Guard through Max Security starts on Monday night December 15th from 11PM to 7AM daily. During this trial period the front gate at the Towne house will be monitored through video cameras.

During the night hours, 11PM to 7AM, all visitors will have to identify themselves by showing their driver's license at a Kiosk recently installed at the front gate.

Contacting the Gate House remains the same. If any resident needs to call a remote guard, for example to let in Uber etc., simply call the front gatehouse regular telephone number (516) 889-8979. These calls will automatically roll over to the Max Security dispatch center during the night hours.
