Dryer Vent Cleaning

Dear Residents:

The office has received inquiries from residents regarding having their clothes dryer exhaust vent professionally cleaned. There are numerous benefits associated with this routine maintenance as follows:

- Reduces the chance of fire caused by the dryer;
- Allows the dryer to operate more efficiently – which saves energy and money;
- Protects the dryer from excess wear, which extends longevity;
- Helps clothing dry faster;
- Reduces excess household dust and humidity and
- Reduces damage to clothing from excess heat.

If you are interested in having your dryer's vent professionally cleaned, below are two vendors who supply this service:

- **Akner Contracting**
