DoTRyT LLC — Acceptable Use Policy (AUP)

Effective Date: February 28, 2025
Last Updated: February 28, 2025

This Acceptable Use Policy ("**Policy**") describes prohibited and acceptable uses of the DoTRyT LLC platform, applications, and related services (the "**Platform**"). This Policy is incorporated into and forms part of the **DoTRyT Terms & Conditions**.

By accessing or using the Platform, you ("**User**") agree to comply with this Policy. DoTRyT LLC ("**DoTRyT,**" "**we,**" "**us,**" or "**our**") may update this Policy at any time. Continued use of the Platform after an update constitutes acceptance of the revised Policy.

1. General Principles

- The Platform is designed to assist Users in discovering, analyzing, and preparing government contract opportunities using AI-powered tools.

- Users must use the Platform in a **lawful, responsible, and ethical manner** at all times.

- DoTRyT may monitor use of the Platform to ensure compliance with this Policy.

2. Prohibited Uses

Users may **not** use the Platform (or encourage others to use the Platform) for any of the following:

1. **Unlawful Activities**

   o Violating any applicable federal, state, local, or international law or regulation.

   o Uploading, transmitting, or storing unlawful, fraudulent, defamatory, obscene, or infringing content.

2. **Government Contract Misuse**

- Submitting Outputs directly to government agencies without independent review.

- Misrepresenting AI outputs as guaranteed compliance, legal advice, or certified information.

3. **Security Violations**

- Attempting to gain unauthorized access to the Platform, accounts, systems, or networks.

- Introducing viruses, malware, ransomware, or other harmful code.

- Interfering with the integrity, availability, or performance of the Platform.

4. **Abuse of Tokens & Services**

- Using bots, scripts, or automation to consume Tokens or manipulate Platform features.

- Reselling, sublicensing, or redistributing Tokens, Outputs, or Platform access without written consent.

- Circumventing metering, billing, or token usage limits.

5. **Scraping & Reverse Engineering**

- Scraping or harvesting data from the Platform.

- Reverse-engineering, decompiling, or attempting to derive source code, models, or algorithms.

6. **Misrepresentation & Fraud**

- Impersonating any person or entity, misrepresenting your affiliation, or misusing government or vendor data.

- Attempting to defraud government agencies, subcontractors, vendors, or financial partners.

---

3. Enforcement

- DoTRyT may investigate violations of this Policy and may remove, disable, suspend, or terminate access to the Platform at its sole discretion.

- DoTRyT reserves the right to report unlawful conduct to relevant authorities.

- Users remain responsible for all costs, damages, or liabilities arising from their misuse of the Platform.

4. No Liability

- DoTRyT, its affiliates, officers, employees, contractors, and investors shall **not be liable** for any damages or losses resulting from enforcement actions under this Policy.

- Users agree to **indemnify and hold harmless** DoTRyT and its stakeholders from any claims, liabilities, or expenses arising from their misuse of the Platform.

5. Reporting Misuse

To report violations of this Policy, contact us at:

DoTRyT LLC
Email: sales@dotryt.com

6. Governing Law

This Policy shall be governed by and construed under the laws of the **State of Florida**. Exclusive venue for disputes shall be the state and federal courts located in Florida.
