WELCOME TO MMDA

We hope everyone had a great summer break! We want to welcome all of our new and returning students. As usual for this time of year, class schedules may need some fine tuning. To ensure that each class delivers the best instruction for our students, some adjustments to the schedule and some moving around of students may be necessary. Remember that every child is different and some children will progress faster than others. Summer study also factors into a student's progression. Please respect the faculty's judgment regarding each student's placement. We greatly appreciate your patience .

NUTCRACKER 2022

Mississippi Metropolitan Ballet opens its 30th season with the holiday favorite The Nutcracker on December 3 and 4 at Jackson Academy Performing Arts Center. In this immersive experience, guests will have their personal passport stamped as they visit Clara, the Snow Queen, the Dewdrop Fairy, the Sugarplum Fairy, and more. Travel stops will offer character photo opportunities and souvenirs including a miniature nutcracker. The afternoon's activities will be capped with "Spanish" hot cocoa and light refreshments from Nothing Bundt Cakes. VIP Tour tickets are \$25 and are also available at msmetroballer.com. THINGS TO REMEMBER

1. Please encourage your child to make every effort to attend all classes and be on time. Students cannot be taught nor can they progress if they are absent. In addition, students experience embarrassment and frustration when they get behind or they are late.
2. Ballet is a discipline art. Part of the student's training includes learning to be responsible for being well prepared for class. Students should organize their materials the night before so that they are ready to dance when they walk into class. Remember that hair must be out of the face for all students in Combo, Hip Hop, Contemporary and level 1 classes. Hair must be in a neat bun secured with a hair net for level 2B and higher ballet and jazz classes.
3. Tuition is drafted on the first of each month. There is a \$30 fee if your draft does not go through. If you signed up for the semester by check method of payment your check should have been submitted the first week of class. If you have not submitted your semester payment please do so immediately. Please write your child's name in the memo section on your check since we have several families with the same last name. This will ensure proper credit.
4. Please put your child's name in everything you bring to MMDA. Anything found will be put in our lost and found box in the lobby. You are welcome to come anytime during studio hours to look for your lost things but please do not ask the faculty to spend valuable time searching for your child's things.
5. We appreciate your concern by calling the office when your child is going to be absent. Unless they are going to be absent more than one day, it is not necessary. However, Intermediate and Advanced students must call to let your teacher know that they will be absent and why. Company members who must miss a Saturday **MUST** notify Miss Jennifer before the Saturday that they are going to be absent.

YOUR COOPERATION IS GREATLY APPRECIATED! THANK YOU!

MMB COMPANY INFORMATION

THE DIFFERENCE BETWEEN MISSISSIPPI METROPOLITAN DANCE ACADEMY AND MISSISSIPPI METROPOLITAN BALLET

The Mississippi Metropolitan Ballet (MMB) is a nonprofit ballet pre-professional ballet company run by a board of directors. The Mississippi Metropolitan Dance Academy(MMDA) is Miss Jennifer's business. MMB is made up of select serious students who take classes at MMDA. MMB membership is determined through open auditions held each year during MMDA's summer intensive workshop. The Nutcracker and an annual spring performance are put on by MMB as part of MMB's mission is to offer serious dancers the opportunity to perform regularly. Even though the two organizations are separate (Dance School and Performing Company); they are intertwined as all MMB dancers are also part of MMDA. For more information regarding MMB (Company), please email Jennifer Beasley @ mmdajenn@aol.com

MMB GUILD

The MMB Guild is the parent organization within MMB. The parent's guild plays a pivotal role in making MMB performances both stunning and professional.

The MMB Guild has the responsibility of fundraising through Gift Shop, Concessions, Slide-Show, T-Shirt Sales, Silent Auction and our annual raffle.

The Guild also coordinates Tech & Stage Assembly, Backstage Moms, Ticket Sales, and Hospitality during performances, events such as Ballet & BBQ and post-performance events such as Tea Parties for ticket holders.

Parents of MMB dancers are required to join the Guild and have volunteer hour requirements, these are necessary to make the performances spectacular.

FROM THE GUILD

Each year, the contributions of our dancers and volunteers make MMB's productions successful. This year will be no exception. Our dancers and Artistic Director are spending many hours in training and practice while our Board of Directors and members of the Parents' Guild are already ensuring plans are in place. There will still be much to do during the weeks of the performances. Even if you have not yet joined the Guild or volunteered on a Guild committee, you can still help! There are a variety of opportunities available to utilize your talents. This is also a great way to get to know other parents of dancers. Contact any committee chair or the Guild President to see how you can help. *An extra set of hands is always appreciated!*

BALLET TERM OF THE MONTH

Pas de deux, (French: **"step for two"**), dance for two performers. The strictly classical balletic pas de deux followed a fixed pattern: a supported adagio, a solo variation for the male dancer, a solo variation for the female dancer, and a coda in which both participants displayed their virtuosity.

TIME TO REVIEW

During the past few weeks, our faculty spend a large part of the class time reviewing proper stretching, body alignment and basic technique appropriate for each age group. In order to ensure proper class placement, teachers need to establish a base level for each class. Once they have a good understanding of the class level and chemistry, the teacher will design that classes curriculum and plan for the year. Classes will to kick into high gear this week and all our dancers will be inspired, motivated and challenged.

We encourage dancers and families to email me if you have any questions or concerns. We are honored to teach each and every dancer enrolled at MMDA and we want them all to **LOVE** dance as much as we do!
