

Additional Lessons

To make up for the lost lessons due to the snow, there will be an extra week added on at the end of term – Tuesday 27th and Thursday 29th March.

Gold and Silver Exam – Important Information

Due to the additional day, unfortunately the scheduled exams for the Gold and Silver classes have had to be cancelled. We will now do the exam in two parts during the lessons on weeks 9 and 10 (22nd & 29th). If you know your child is going to be absent from either of these lessons please contact me ASAP. I know this is not ideal as it gives the children less time to prepare, but I am afraid I have had no choice.

I am so sorry for the inconvenience.
