

RULES TO BE OBSERVED AT ASHDOWN SCHOOL POOL.

Please read and retain the following rules for swimming lessons at Ashdown School pool. Note that neither the Head Teacher nor the Swimming Instructors will be held responsible for any injury to persons or loss/damage to property whilst on the premises. The parent/guardian will be responsible for any damage to school property caused by their child/children.

1. Pupils shall at all times obey any instructions given by the swimming teacher(s) whether or not the same is embodied in these rules and comply with any safety regulations that from time to time may be in operation.
2. Pupils and parents must not enter the pool building unless a H2O Swim School member of staff is present. Pupils must not enter the water until told to by the swimming teacher. Floats and other swimming aids are to be used only when under the instruction and supervision of the Swimming Instructor.
3. No running is permitted on any part of the premises. Children not swimming are the responsibility of the parent/guardian/carer and must remain with them at all times. They must not be allowed to run around the swimming pool area. No pupil shall push or attempt to push any person into the pool.
4. Diving is forbidden at all times.
5. A swimming hat must be worn in the water, (these can be purchased from the Swim School).
6. Do not bring glass/plastic bottles, cans or potentially dangerous containers onto the premises where the swimming pool operates. No food or drink will be allowed on the premises.
7. Spectators should sit at the end of the pool. Shoes must be removed or the soles covered. It would be appreciated if the numbers of spectators were kept to a minimum, as space is very limited. Please vacate the changing area as quickly and as quietly as possible.
8. The School and Playgrounds are out of bounds at all times. The parent/guardian/carer will be held responsible for any damage to school property caused by their child.
9. The use of mobile phones is forbidden on poolside. No parent, or member of the public, will be allowed to take photographs, or video footage, of the children in the swimming pool unless prior permission has been given by the Swimming School and by the parents of the children involved.
10. No jewellery may be worn (including earrings) whilst swimming in the water. The parent/guardian/carer will be responsible for the safe keeping of any of their child/children's valuables.
11. Classes will be run during the East Sussex school term and will be invoiced by the term. Should for any reason I have to cancel a lesson, an alternative day and time will be offered where possible. No refunds will be provided for lessons that are cancelled for reasons outside the control of the Swim School.

Address and Parking Regulations

Ashdown School's swimming pool is located at the junior site:

Ashdown Primary School
Junior Site
Herne Road
Crowborough
East Sussex
TN6 2NT

See map: www.hernejuniorsschool.org.uk/Contact-us

During the day all customers must park on the road outside the school. After 15:45 customers are allowed to park on the school playground.

Failure to comply with any of the above rules may result in you being asked to leave the Swim School.
