

COVID-19 Update 19<sup>th</sup> March 2020

As the schools have now been told to close at the end of their working week, we will too.

Mayfield Pool – closed for the rest of the term

Ashdown Pool – last lessons tonight, Thursday 19<sup>th</sup> March

St Mary's Pool – last lessons Saturday 21<sup>st</sup> March

I will be booking in for next term as normal and ask that you post or email your forms/choices\* to me but not any payment for now. I have no idea when our next term will begin. Once things have returned to normal and it is safe to start lessons again I will post out your usual confirmation letters giving you the term dates, together with your children's lesson details. There will be a payment slip at the bottom of the letter with my bank details and the amount due.

In answer to some of the emails I have received, I am unable to offer refunds for the lost lessons this term. I wish I could, but I'm sorry it just isn't financial viable for me. However, I will endeavour to make up as many lessons as I can.

Thank you for your patience, understanding and support during this very difficult term. Take good care of yourselves and your families and I hope it isn't too long before we are back swimming again.

Warmest wishes,

Venetia x

\*if you have not received your report/booking forms yet, I will be posting them out next week. Alternatively you can email me for confirmation of your child's class next term.
